DISPATCH NO. 100-4-693

SECRET
CLASSIFICATION

OCT 1 1954

TO [REDACTED]
FROM Chief, WIS
SUBJECT GENERAL - Miscellaneous Matters
specific - Carlton J. FLEMUR

1. An OIG-MT memorandum dated 6 July 1953 states a source has advised that Carlton J. FLEMUR, described as a professional pilot, had related to him that he had formerly been employed as a pilot by the ~~Government~~, the Germans \Rightarrow munitions manufacturers, and by a Swedish shipping agent. More since the source did not recall, FLEMUR was quoted as saying that he had flown ECOSP and the Swedish shipping agents to several Central American countries, including Guatemala, in connection with their interest to be in the type of joint business venture.

2. Source stated that he considered himself to be loyal to the United States, but was brain-washed into the activities of CIA in view of the possibility that they also desire information concerning his knowledge of the activities of the Communists and CPB in Central America. It was believed that they might be the source of some elements to Communist elements in Guatemala. Source did not state the alleged trip took place.

3. Source said that FLEMUR was employed as a pilot by the ~~Government~~ Airways Ltd. at Galt, British Columbia, during the summer of 1953. At present he works as a pilot for the Agateart Timber Company of Corner Brook, \Rightarrow Newfoundland, Canada.

4. Headquarters file contain no references to FLEMUR.

5. The above information is not to be disseminated further.
